FULANI WALL PLANTER

As part of the 2018 African Crowns collection, the Fulani wall planter is an ode to the sculptural quality of traditional hairstyles of the Fula tribe found throughout West Africa.

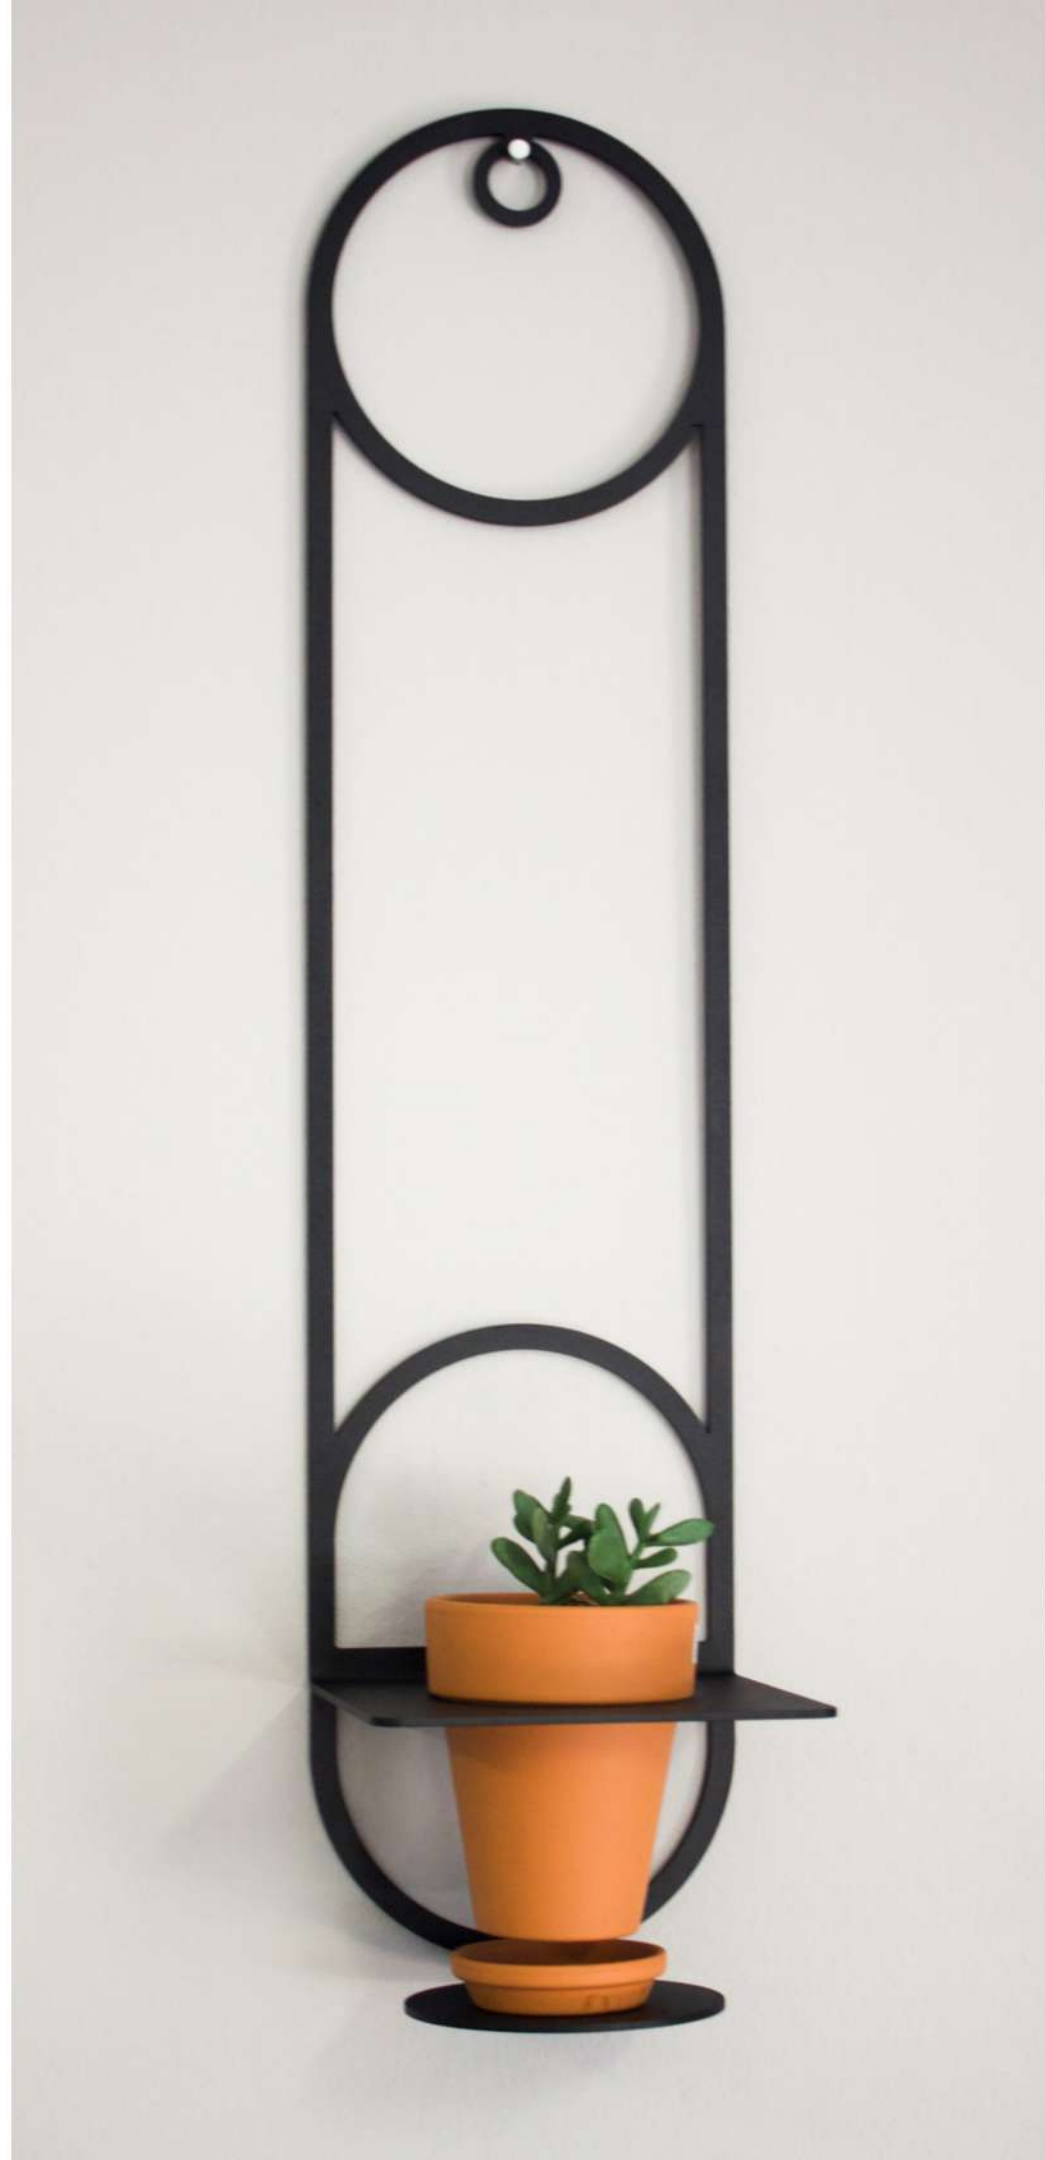

The braided arched hairstyles of the Fula women were seen as a symbol of fertility and beauty and it is these arches that are referenced in the organic rounded & arching forms of this wall planter.

The Fulani wall planter has an organic rounded powdercoated steel frame with a terracotta pot and drip tray bringing a fun element to integrating plants in any space with a practical touch.

MANGBETU OVAL PLANTER

The Mangbetu oval planter is inspired by the elongated, sculptural, fine coiffure/hairstyle of the women of the Mangbetu tribe in the DRC during the 1920's & forms part of the 2018 African Crowns Collection. The overall forms of this planter is inspired by the distinctive look of the elongated heads of most Mangbetu women during that period. Along with the elongated head, the accompanying details of this distinctive hairstyle was an oval or funnel-shaped updo's finished off with an outward halo, originally symbolic of high social status, this was considered exceptionally attractive and powerful this is represented by the woven details on the sides of this distinctive planter.

The Mangbetu planter is made from powder-coated steel frame with woven details in a braided polyprop cord.
